

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

MATTHEW CARPENTER,

Defendant.

4:20CR3068

ORDER

Defendant has moved to continue the trial, (Filing No. 27), because Defendant intends to file a motion to dismiss. The motion to continue is unopposed. Based on the showing set forth in the motion, the court finds the motion should be granted. Accordingly,

IT IS ORDERED:

- 1) Defendant's motion to continue, (Filing No. 27), is granted. The trial of this case is continued pending further order of the court.
- 2) Defendant's motion to dismiss shall be filed on or before May 3, 2021.
- 3) The ends of justice served by granting the motion to continue outweigh the interests of the public and the defendant in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and May 3, 2021, shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because although counsel have been duly diligent, additional time is needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1) & (h)(7). Failing to timely object to this order as provided under this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

Dated this 14th day of April, 2021.

BY THE COURT:

s/ Cheryl R. Zwart
United States Magistrate Judge
